

DSAR

Drone Search & Rescue

- **National Organization - Registered 501(c)3 non-profit (DSAR Inc.)**
- **Formed in Jan 2019**
- **5 Board Members (2 in AL, 1 in NC, 1 in CO, 1 in TN)**
- **Mission: Cultivate and maintain a national registry of volunteer sUAS (small Unmanned Aircraft Systems) pilots with expertise and training in Search/Rescue (SAR) & Damage Assessment**
- **All registered pilots are FAA licensed (Part 107) commercial drone pilots, trained in Search/Rescue operations**
- **As of June 5 2019, the DSAR Registry has 46 pilots in 24 states**
- **Offer free training to Law Enforcement**
- **Conduct free quarterly training in use of sUAS in support of SAR operations, open to any pilot regardless of experience**
- **Started training in Damage Assessment flights as well**
- **Fosters synergy in the drone pilot community**
- **Free resource for all drone pilots**
- **Freely pooling our collective experience, wisdom and knowledge benefits everyone**
- **Multiple real-world SARs to date**
- **More information at www.dronesar.info**
